NEW!!!! "IT TAKES TIME TO DO THINGS RIGHT!!"

(In other words, it may take till the end of the year and more to get your digitals!!)

The 2018-19 Select Client Sports Form & Contract

(Same as 2017-18 STILL OFFERING DIGITAL IMAGES!!!)

But can print your digital images.

I NOW REQUIRE ALL PAYMENTS UP FRONT!

Please don't delay and ask me during the season I may have covered all the events.

Please call me anytime if you have any questions. **(New)** 662-347-3086

Only taking just so many clients in 2018-19!

The 2018-19 Sports Select Client Plan is **\$508.25 for one client and one sport** (includes taxes) up front before I start. This includes a \$75 sitting fee for **one client per sport** and a payment of \$400 for all digitals. **(Note: I only charge the all digitals \$400 per family. Call me if you are not sure how this works.** The number of images you may receive is based on the amount your athlete plays. The amount can range from 50 to as high as 1000+ photos. Last year I took in around 30 clients and I took +- **58,615** images. Yes, **58,615**, that's a lot of hours behind a computer, and like I said above **it takes time to do things right!** The average client received about 300 edited digital photos. Please remember if your son or daughter does not play a lot during an event or season I may not be able to shoot this amount. This this year I will write all edited photos to a thumb drive at the end of your event in high resolution for printing. **If you have more than one athlete go ahead and fill out their information. Depending on number of clients and sports I may offer a discount if their events are at the same event or events. Example: Basketball, all games normally played together.**

If after your event or events I have not acquired sufficient photos, I will return to another event if possible. In most cases I will be at more than one event if possible. Please note, I may not be able to photograph all school events so it's based on a first come basis and game schedules.

If you want prints too: There are many ways to order, but the simplest way is to write down the **last** 5 to 8 numbers of each photo on paper, take a photo with your phone and text or email it to me. I can send you a price list if you are interested.

I will only photograph clients that have contacted me prior to a game with your athlete's info, and fees paid! **No form No payment No deal.....need both☺**

Please don't delay and ask me later in the middle of the season or **during a game**, as I will be busy photographing clients who have signed my contract and paid all fees. **Remember, I may only come to 1 or 2 events, so asking me in the middle or the end of the season might be too late.**

PLEASE USE ONE FORM PER CLIENT
