22 x 22	\$250
24 x 24	\$275

Larger sizes will be printed at \$58 per square foot.

The above is a guide for the standard print sizes that are offered by Yarmouth Lane Photography. Not all images are available in all sizes. The larger print sizes can always be scaled down without any loss in quality to a smaller print size. For example, a 24x30 inch image can be perfectly printed at 8x10 inches. The opposite, however, is not true. Some images are only available in the smaller sizes and we will not "up-rez" them to the larger size. This policy is necessary in order to maintain the highest possible quality of print.
